

CECILE DE WIT

Advisor, Education and Training Policy and Programs
International Organization of Securities Commissions (IOSCO)

Cecile joined the IOSCO General Secretariat in January 2009 and she is responsible for organizing and coordinating IOSCO's capacity building initiatives. Among other key areas, these responsibilities entail overseeing the IOSCO/PIFS – Harvard Law School Global Certificate Program, the annual IOSCO Seminar Training Program (STP) and related regional STPs, as well as other regional training seminars and joint programs. Cecile conducts regular analyses of member needs and priorities to develop appropriate education and training programs. She is also involved in IOSCO's investor education related work and supports IOSCO's Committee 8 on Retail Investors.

Cecile holds an MA degree in International Relations from the University of Utrecht, the Netherlands, and an MSc in International Cooperation from the University Complutense of Madrid, Spain.
