

## **TYLER FLEMING**

**Director of the Investor Office**  
Ontario Securities Commission (OSC)

Tyler Fleming is the Director of the Investor Office at the Ontario Securities Commission (OSC) and a member of its Executive Management Team.

The Investor Office was launched in October 2015. It sets the strategic direction and leads the OSC's efforts in investor engagement, education, outreach and research. It also brings the investor perspective to policy-making and operations.

As the first Director of the new Investor Office, Tyler was responsible for the vision, strategy and execution of the Office's launch in October 2015. He sets the Investor Office's strategic direction and oversees its day-to-day operations and administration.
